CHOOSE YOUR DRIVE: IT'S A WIN-WIN

With two superior gas car options and three energy-efficient electric solutions, you simply can't go wrong. Take advantage of the ROI of gas with EFI or upgrade to the Drive² QuietTech EFI golf car to enjoy the lowest decibel output of any gas car. Experience the cutting edge of lithium electric vehicles with PowerTech Li. With valuable features like standard USB ports and a padded steering wheel, no matter which direction you go, your players will navigate terrain with complete comfort and ease.

EVERYTHING ELSE IS JUST NOISE

Shown with optional Yamaha Genuine Accessories.

THE QUIETEST GAS CAR ON THE GOLF COURSE

Only 61dB of engine noise while operating.

FULLY INDEPENDENT FRONT AND REAR SUSPENSION

With automotive-style struts

Drive² QuietTech EFI boasts the lowest decibel output of any gas car and features the industry's first-ever Independent Rear Suspension on a golf car. This unprecedented combination ensures your players experience a luxuriously quiet ride. At 45 MPG, we think you'll agree that choosing QuietTech EFI is the clear way to go.

THE BEST OF RELIABILITY, DURABILITY AND COMFORT

Shown with optional Yamaha Genuine Accessories.

FULLY INDEPENDENT FRONT SUSPENSION

With automotive-style struts

GET MORE ROUNDS IN WITH 45 MPG

Industry-leading fuel economy and less hydrocarbon emissions

If you love the ROI of gas, but don't need the quiet ride of QuietTech, then our Drive² EFI car will fit the bill. Our Yamaha-built engine brings over 60 years of proven performance. With cradle-smooth suspension, the Drive² EFI car gives you both the luxury and the value you need, along with all the innovative features of the Drive² lineup.

THE ONLY LITHIUM-ION-POWERED GOLF CAR WITH IRS

We engineered and optimized every last detail while creating an ideal balance between efficiency and driving comfort. For the first time ever, Independent Rear Suspension (IRS) now comes standard on all Drive² PowerTech Li models. With added comfort and premium shock absorption, players can now enjoy the smoothest ride yet.

RANGE PICKER

UMAX

Outfitted with a strong diamond-webbed steel cage and an impact-resistant front windshield, discover the same Range Picker you already know and love—but this time, with an upgraded 402cc engine for premium torque and power.

TOUGH, RELIABLE YAMAHA-BUILT ENGINE WITH HIGH EFFICIENCY AND LOW EMISSIONS.

See how much you could save using the Fuel Calculator at [YamahaGolfCar.com](https://www.yamahagolfcar.com)

IT WILL BEAR THE BRUNT OF
YOUR HARD DAY'S WORK

SAFETY IS ENSURED WITH A DURABLE RANGE CAGE AND WINDSHIELD DESIGNED WITH HIGHER IMPACT-RESISTANCE, GREATER FLEXURAL STRENGTH AND MORE UV-RESISTANCE THAN EVER.

Shown with optional Yamaha Genuine Accessories.

Serving your customers is now easier than ever. Our Standard UMAX® Bistro is designed to be the ultimate solution for convenience. Packed with features that do all of the work, from the sliding snack tray and the four-lid ice chest, the UMAX® Bistro ensures your refreshment offerings will stay organized and stored at the perfect temperature. A true extension of your clubhouse, the UMAX® Bistro is just another way to up your profits while keeping your players satisfied.

DRIVE PROFITS WITH A COMPLETELY MOBILE SALES VESSEL

FOUR-LID ICE CHEST

With four separate coolers with stay-open hinges, you won't have to sacrifice counter space.

ADDITIONAL REAR SHELF

Easily prepare drinks with a convenient rear shelf.

LOCKABLE AND REMOVABLE CASH DRAWER

Seamlessly integrated into the display cabinet, our solid steel cash drawer can be locked or easily removed.

SLIDING SNACK TRAY

Specially designed space in your cooler for snacks that need to stay dry and chilled.

EASY ACCESS DISPLAY CASE

Slanted shelves to perfectly display a variety of snacks and merchandise of your choice.

MENU BOARDS

Two removable whiteboard menu boards to display your specials.

CONVENIENT ACCESSORIES

Add a coffee cambro, strut mount cup dispenser, or a potable ice chest with scoop for increased efficiency.

YAMATRACK® DOES EVERYTHING BUT HIT THE SHOT

-  GPS YARDAGE WITH INTERACTIVE TOUCH SCREEN
-  FLYOVER AUTO-START AT EACH HOLE WITH DISTANCE TO HAZARDS
-  FAIRWAY/GREEN TOGGLE WITH SHOT DISTANCE AND ON-SCREEN SCORECARD
-  REMOTE FOOD AND BEVERAGE ORDERING
-  CUSTOMIZABLE ON-SCREEN ADVERTISING

The YamaTrack® app gives your course the capability to evolve with today's golfer. With a new 10" screen mounted in the dash, players will enjoy 3D terrain graphics with customizable pro tips. Geo-zones will notify players to pre-order food and beverages before making the turn. Enhance your players' experience and improve your course's efficiency. YamaTrack. Another reason why Yamaha is The Easy Choice.™

INCREASE FOOD AND BEVERAGE PROFITS

- Allow players to access your food and beverage menu anywhere on the course.
- Reach your audience with customizable on-screen advertising.
- Increase course revenue by sharing advertising opportunities.
- Customize the App with your club logo and food and beverage menu.

PROTECT YOUR ASSETS

- Monitor pace-of-play to keep the course running smoothly and efficiently.
- Monitor amp hours and car battery conditions automatically to improve fleet rotation and maximize battery life.
- Use car tracking, shutdown, and lockdown features to show car's locations, prevent losses by day, and improve overnight security.
- Manage your entire operation from any internet-connected device with our web-based system.

ENHANCE PLAYER EXPERIENCE

- 3D Flyovers of the player's current hole with accurate pin and hazard placement.
- Players can see the slope and contours of each golf hole.
- Players can quickly check the range of their shot anywhere on the course.
- Allow players to easily keep track of their score on-screen.

THE YAMATRACK® PLAYER'S APP

If you have a Yamaha fleet, then we've already built your mobile app for you. Activating the app for your course is easy and convenient, and the mobile-based software allows your players to navigate their round no matter where they are on the course or in the game. The YamaTrack Player App assures players that support is just around the corner, so they can spend more energy on their game.

- Customize your course's mobile player app to include your club logo and food & beverage menu.
 - Use the phone touchscreen to view the distance to hazards and greens.
- 3D Flyovers show the layout and contours of each golf hole.
 - Track the distance of each drive from the tee to the fairway.

YAMAHA IS THE OFFICIAL GOLF CAR PARTNER OF NGCOA

ALREADY AN NGCOA MEMBER?

Convert your fleet to Yamaha Golf Cars and receive a \$50 rebate per golf car.

— OR —

Renew your current Yamaha contract and receive one FREE registration for NGCOA's Golf Business Conference—a \$900+ value.

GREAT INCENTIVES WHEN YOU CONVERT OR RENEW YOUR GOLF CAR FLEET

NGCOA members receive valuable incentives, including rebates, on Yamaha's golf car and utility vehicle purchases and leases.

You'll appreciate Yamaha's technical **innovation and advancements**—including the YamaTrack GPS fleet management utility—and will find satisfaction and value in Yamaha's **superior customer service**.

NOT YET AN NGCOA MEMBER?

Convert your fleet to Yamaha Golf Cars and receive a \$50 rebate per golf car.

— OR —

Renew your current Yamaha contract and receive one FREE registration for NGCOA's Golf Business Conference—a \$900+ value.

Learn more about the benefits of membership at www.ngcoa.org/membership/join, and contact Danielle Boghosian, Office Manager, at dboghosian@ngcoa.org or (716) 984-1027 with any questions.

NGCOA members who joined prior to 03/31/18 receive the rebate payment following the Yamaha contract date. After 04/01/18, new NGCOA members joining with a 1-year membership receive the rebate payment following their 2nd year renewal. After 04/01/18, new NGCOA members joining with a 2-year membership receive the the rebate payment following the Yamaha contract date. *Rebates are processed quarterly.
